02-277

Dear Commissioner Powell:

Numerous reports agree that the Federal Communications **is** planning **to** loosen longstanding rules governing control of the media that bring news and views to the American public. This will inevitably lead to monopoly, by a few large corporate giants, of TV stations, newspapers, and broadcast networks.

I urge you, Commissioner Powell, to halt immediately any implementation of these these FCC plans that threaten public access to diverse views and information.

Sincerely
